

## Our commitment

BRSi is committed to upholding the **highest standards of confidentiality and security** for our customers' private information.

Our security and privacy personnel are rigorously trained and qualified, either through industry certifications, accredited university degrees, or relevant experience.

## Their key responsibilities include:

Ensuring HIPAA compliance to safeguard Protected Health Information (PHI) and electronic PHI (ePHI).

Conducting regular HIPAA risk assessments and policy evaluations to meet Phoenix regulatory standards.

Developing and updating HIPAA compliance training programs for our associates.

Investigating security incidents, assessing risks, and submitting required breach reports in line with state and federal regulations.

Staying updated on Federal Information Processing Standards (FIPS) and National Institute of Standards and Technology (NIST) guidelines.

By adhering to these guidelines, we aim to maintain the integrity and confidentiality of all sensitive information entrusted to us.
