

## BRSi is not just a service provider.

### We are a partner in your success.

With our advanced technology, experienced staff, and proven track record, we help healthcare facilities optimize their revenue cycle and improve their bottom line.

Choose BRSi for a partnership that optimizes and elevates all parties to prosper.

### Why BRSi

- ▶ advanced technology
- ▶ experienced staff
- ▶ proven track record

#### We Advance Insurance Discovery:

We help you locate coverage for self-pay and uninsured patients (upto 30% higher hit rates).

#### We Ensure No Lost Opportunities:

We identify and mitigate revenue leakage, capturing missed revenue opportunities. We deliver zero balance reviews and underpayment analysis through contract modeling.

#### We Simplify Adherence to Compliance and Documentation:

We ensure billing and coding processes align with industry standards, reducing the risk of audits, penalties, and reimbursement.

#### We Streamline Claims Management:

We help you send claims to the right payers on the first submission, reducing errors, and expediting payment.

#### We Excel in Transition of Technology Systems:

We specialize in EHR system migrations, ensuring accurate data conversion, facilitating continuous business operations without loss of revenue integrity.

#### We Enhance High First Claim Admission Acceptance:

We offer denial predictions using AI / Machine learning to reduce denials and denial management.

#### We Put Service at the Center of Everything We Do:

We never stop working with our client partners and we are constantly enhancing knowledge growth and advancing technology.
